IWGC-7 Guideline for Full paper Submission

- (1) Submissions imply the intent of at least one author to register, attend the symposium, present the paper either in oral style or in poster format, and submit a full-length manuscript for publication in the conference Proceedings of IWGC-7.
- (2) Only the corresponding author, who was informed with “Notification of Acceptance” for the presentation in IWGC-7 by the committee, has right to submit her/his full paper. If the author has not received yet the “Notification of Acceptance” for her/his presentation, please contact to the IWGC-7 secretary immediately.
- (3) In submitting the full paper, please send one attached file (PDF format) to the secretary directly. Please show the reference ID number (ex. ID number = Oxxx or Pxxx) which was assigned in your LETTER OF ACCEPTANCE. The size of e-mail is limited under about 5 MB due to our server policy.
- (4) The conference Proceedings of IWGC-7 will be published in full-manuscript Chairs/Committee-reviewed volumes.
- (5) Correctly formatted, ready-to-print manuscripts described in English are required for all accepted oral and poster presentations. Electronic submissions are recommended, and result in higher quality reproduction. Authors are required to transfer copyright of the manuscript to IWGC-7.
- (6) Late manuscripts may NOT be published in the conference Proceedings. The objective of this policy is to help us in order to enable better and timely publication of the conference Proceedings of IWGC-7.
- (7) Only Papers with the author’s complete registration should be published in the Proceedings, except in the case of special circumstances allowed at the discretion of the IWGC-7 Conference Chairs/Committee.
